**Subject: Prequalification of Q-tag 2plus, Fridge-tag and Cold Chain Monitor card**

Dear Ms Berlinger-Schwyster,

We refer to your application for pre-qualification dated 4 September 2007 with regard to Q-tag 2 plus, Fridge-tag and Vaccine Cold Chain Monitor Card manufactured by Berlinger & Co AG.

We have now received the results of the device evaluation and are pleased to inform you that Q-tag 2 plus, Fridge-tag and Vaccine Cold Chain Monitor Card have been recommended for inclusion on the PQS database of temperature monitoring devices. Your products will appear in the WHO web site with the following codes:

[http://www.who.int/immunization\\_standards/vaccine\\_quality/pqs\\_prequalified\\_devices\\_e06/en/index.html](http://www.who.int/immunization_standards/vaccine_quality/pqs_prequalified_devices_e06/en/index.html)

PQS E06/02. Electronic shipping indicator, Q-tag 2plus, by BERLINGER & Co AG., Switzerland

PQS E06/03. 30-day electronic refrigerator logger, Fridge-tag, by BERLINGER & Co AG., Switzerland

PQS E06/04. Cold chain monitor, Vaccine Cold Chain Monitor card, by BERLINGER & Co AG., Switzerland

Finally, we draw your attention again to the terms and conditions and definitions set out in the pre-qualification information pack. Note particularly the requirement that you inform us of any future changes to the device specification or changes to the manufacturing site, and that you notify us of any complaints, product recalls, component defects and other events that may affect the device. Also note that all prequalified devices are subjected to annual evaluation which you will be contacted for each annual review by the WHO PQS secretariat.

Yours faithfully,
